REPORT ON MISSIONS.

We, your Committee on Missions, beg leave to submit the following report:

We are glad that despite the depressed financial conditions during the past year we have not fallen behind in our total offerings for missions, but we feel we should put forth greater efforts during the coming year, especially in consideration of the facts that our missionaries have been in sore need of additional help financially, and that others acceptable to the General Mission Board could be sent if funds were available.

Therefore, we urge each pastor to see to it that a regularly organized Missionary Society be insisted upon in each church, to hold meeting at least once a month, in which information regarding the mission field shall be brought before the people.

We also repeat the recommendation of the Committee on Missions last year, That each member be urged to give at least one cent per day for missions.

In conclusion, we urge upon all our members to pray earnestly for our missionaries, and the extension of the mission work.*

G. F. TAYLOR,

F. M. BRITTON,

C. B. STRICKLAND.

Committee.

On motion, the above report was adopted.

Bro. Taylor then made a talk on the work which is being done for missions. Good and encouraging talks were also made on the same lines by A. E. Robinson, A. G. Canada, W. H. Kennedy and Mrs. W. H. Kennedy, giving suggestions as to how we might increase our funds along this line.

The Report on Finance was called for, read, and discussed, item by item.

REPORT OF COMMITTEE ON FINANCE.

We your, Committee on Finance, beg leave to report that, after hearing the reports from the various churches, we deprecate the fact that the pastors are so poorly provided for, and we as your Committee, recommend,

1st. That each member of The Pentecostal Holiness Church be required to adhere to the Rules in Section 4, Article 11, Page 17, of the Discipline; as it is, in a number of places there are just a few who have to bear the burden financially, and we would suggest that each member be required to contribute something to the support of the church and pastor, unless he himself, is an object of charity.

2nd. We recommend that at the first of the Convention year each member be asked to assess himself or herself the amount he or she think they can pay into the Church Treasury weekly, and when it is not possible to pay weekly, then as often as possible, and that said assessment be considered a legal obligation; and it shall be the duty of the Official Board of each local church to see that each member be given a privilege to assess himself or herself.

3rd. We recommend that when an Evangelist goes into the church of a pastor and holds a meeting, the pastor assisting, the pastor shall have a certain per cent of said collection, to be agreed upon by said pastor and evangelist.

4th. We recommend that each local church be required to contribute an amount for the State Superintendent, to be given him at the time he shall visit said church; at least sufficient to pay railroad fare to and from said church.

5th. We recommend that each ordained or licensed preacher and mission worker be required to assess themselves to the Official Board of Convention, the amount they will pay for the support of Superintendent of the Annual Convention. Said amount to be paid monthly if possible.

6th. We recommend that each local church shall put in operation Section 5, Article 6, on page 18 of Discipline, in regard to mission work.

7th. We recommend that a free-will offering be taken in each local church every three months for the Falcon Orphanage.

8th. We recommend that each local church organize a Home Mission Society for the relief of those in distress.

P. F. ROBINSON,
F. M. BRITTON,
W. R. CROW,

Committee.

Article eight was changed so as to read: We recommend that each local church arrange for a Relief Fund for helping those in distress.

This change being made, the report was accepted by Convention.

The Report on Sunday Schools was next called for, and adopted after being read.

REPORT ON SUNDAY SCHOOLS.

We, your Committee on Sunday Schools, beg leave to submit the following report:

1st. We recognize that the future of this Pentecostal movement rests with the children who are now growing up, therefore, it is absolutely essential that we instill their minds and hearts with the doctrines we hold in reverence.

2nd. There is probably no place where this can be done to better advantage than in the Sunday School, especially if the officers and teachers have the Pentecostal baptism, and care is taken to use literature which does not conflict with our teaching.

Therefore, we recommend that each pastor in this Convention see that a properly organized Sunday School is in operation in each church under his care, and that he give the Superintendent his hearty encouragement in this work.

We also recommend that the deacons give their encouragement to this worthy work.

We further recommend the use of the Sunday School literature published by The Falcon Publishing Company, which is entirely in harmony with our teaching.

A. E. ROBINSON,
G. F. TAYLOR,
JNO. M. WEEKS,
Committee.

Some very good suggestions were made, urging the people to use our Pentecostal literature.

REPORT ON BOOKS AND PERIODICALS.

We, your Committee on Books and Periodicals, submit the following report:

The need of a literature that embraces both sound doctrine and clearness of statement is universally felt and acknowledged, and whereas, the Pentecostal people have a well equipped printing plant established at Falcon, N. C., that is fully committed to the publishing of such literature as we, and the public, need, and are now publishing a Pentecostal holiness paper and a complete list of Sunday School periodicals, therefore, Resolved,

1st. That we use our best efforts to extend the sale and use of all the products of said Pentecostal Plant.

2nd. That we recommend the use of such literature as fully

sets forth the standard of grace and service that we are committed to promulgate.

3rd. That we do all in our power to bring about the sale of stock in The Falcon Publishing Company.

C. B. STRICKLAND,

J. H. CAPPS,

W. H. KENNEDY.

Committee.

On motion, the above report was adopted.

The Report on Memoirs was called for, read, and adopted as follows:

REPORT OF COMMITTEE ON MEMOIRS.

We, your Committee on Memoirs, submit the following report:

Whereas, Almighty God in His all-wise providence has removed from our number our esteemed brethren, F. L. Juillerat and J. H. Crisp, we humbly submit to our loving Father's will, who doeth all things well; deeply regretting the loss of their love, fellowship and service in the work God had called them to, and which they were so faithfully doing, on the foreign field and in the homeland; but we are well assured that our loss is their eternal gain.

Be it resolved,

1st. That we hereby pay our respects to their memories, and pray God to raise up others to fill their places in the Lord's work.

2nd. That this Convention extend to the bereaved families and friends of the deceased our heartfelt sympathies in the loss of a dear husband, father and brother.

H. C. KING,

MRS. ALICE M. KENNEDY,

REPORT OF COMMITTEE ON PROHIBITION.

We, your Committee on Prohibition, beg leave to submit the following report:

Whereas, we as a church believe that the use of intoxicating

liquors is a sin and a curse to the human race, therefore be it resolved,

1st. That we, as a church, do oppose the manufacture, sale or use of intoxicating liquors in any form, moderately or immoderately, not even as a beverage, or to be used in the food we eat. Prov. 23: 32.

2nd. That we oppose the drinking of such things as Coca-cola, Pepsi-cola, and all other such drinks as are injurious to the body.*

3rd. That we, as a church, do all we can by ballot and influence to bring about national prohibition.*
